High Tech on the Low ft. Adam Salman - What's in a Deal?

High Tech On The Low

Apr 11 · 24 min 38 sec

Episode Description

Dealmaking in the world of tech can mean the difference between changing the world or not. Adam Salman, Managing Partner at Cuckierman & Co. Investment House is constantly balancing the unique challenges and opportunities that arise in dealmaking as companies and startups pursue social impact while aiming for significant financial returns. While there are differences between startup funding and large-scale M&A deals, Adam believes entrepreneurs can navigate both to drive growth and achieve their goals.
