

Despite the ongoing conflict and the accompanying trauma, we are swiftly adjusting to a "new normal," ensuring we continue to help and guide companies and start-ups to growth.

The Cukierman & Co. Investment House team continues to deliver. No Matter What.

Resilience in Israel isn't merely a catchphrase; it's the unwavering determination that has shaped the Israeli tech landscape we see today.

We are convinced that Israeli ecosystem and investment community will stand as a symbol of determination.

Our strength and resilience remain unwavering, and we remain dedicated to delivering for our clients and partners, in Israel and in the world.
